DLA is #1...

Calendar of Events for April

As you may have heard, DLA received the #1 ranking among all 38 schools in Dayton for student growth in 2015! Help us share this wonderful news to families who may want to consider DLA for their children.

DLA is hosting an **Open House on Thursday, April 14 from 4:00-6:00pm so invite a family or two to attend.** We are increasing our kindergarten and first grade enrollment and filling available seats in grades 2-8 so please help us spread the word!!

Here are some important reminders for April:

Registration for the 2016-17 school year—THANKS to the many families who have completed the re-registration forms for 2016-17. To all other current DLA families, please be sure to complete your registration materials as soon as possible in order to **SAVE YOUR SEAT!!**

State testing—As you are likely aware, state testing for grades 3

-8 will begin April 6 and run through the month of April. Please review the testing dates in this newsletter and on our website. Be sure your children get plenty of rest on the nights before testing.

Family survey—Hopefully, you had a chance to complete this DLA family satisfaction survey that was sent home to you or you did so last week at conferences. If you did not, please ask your child's teacher or the Main Office to send a copy home to you. Our Board, Admin and Staff really want to hear from you so that we can continue to improve the DLA experience for you and your children.

Summer Launch 2016—Please register your child for our Monday-Friday program that will run from June 6 through July 1. It is a great mix of academic focus and group projects and some interaction with community resources in art, science and others. If you didn't register

your children, please make sure you work through your child's teacher to get the information and form to complete. **Teaching and learning, transportation and meals are all provided at no cost to you....**Our Summer Launch is VERY UNIQUE because all the teachers are from the DLA staff...

It is a great time to be MIGHTY PROUD about what our students and staff have accomplished at DLA!

Be On Time.....

Parents this is very crucial time for our students as they will be taking the state test all month long. We are asking that you please make sure that your child is one time everyday this month. Students who arrive after 8:30 am will not be admitted to class.

Attendance is very important throughout the school year but is even more important during state testing time, so again, please make sure that your child is in school everyday on time (class starts at 8:00 am).

Good Luck to all of our students!!

#AntonioStrong

God called your name so gently that only you could hear,

No one heard the footsteps of the Angel drawing near

Softly from the shadow there came a gentle call

You closed your eyes and went to sleep and quietly left us all.

We lost one of our Angels, Mr. Antonio Ogburn on March 24, 2016 following a lengthy battle with Wilms Kidney Cancer. Antonio attended our school since 2013 and he was truly a loving character that we all (especially Nurse Jodi) loved dearly. The main office will miss seeing that bright smile that would brighten our day and hearing his yet small but strong voice.

We send our sincere condolences to the family of Mr. Antonio Oburn and pray that God will continue to strengthen them every day.
