## MESSAGE FROM THE PRINCIPAL

With spring around the corner, we are in the final countdown!!! We have only 4 more weeks until 3rd-8th grade students take the AIR state tests in April. K-2 students will also take the spring i-Ready diagnostic assessment March 11-20 to measure their progress. Additionally, we have only 3 months to prepare students for the next grade level. Teachers have planned instruction to ensure they teach all content standards and are teaching students a test-prep strategy each week.

To ensure your child is ready for the upcoming tests and will be promoted to the next grade level, here are steps you can take every day:

Make sure your child attends school on time every day

Remind your child of the value of education and that their job is to do well in school

Encourage your child to focus and work hard in class

Make sure your child completes homework and reads every night.

Mark your calendars for third quarter conferences on March 21 and 22. You will receive your child's 3rd quarter report card, AIR test practice packet, and targeted skills to complete over spring break.

Save the date for the following events:

i-Ready assessment for grades K-2, March 11-20

3rd quarter conferences, March 21 and 22

Scholastic book fair, March 20-22

Spring Break, March 25-29

## DLA HAPPENINGS & FAMILY ENGAGEMENT

### RE-ENROLLMENT

Re-enrollment for the 2019-20 school year has begun, so save your child's seat before the April 1st deadline. Our goal is to retain 374 students. In order to complete the re-enrollment process, you must have a Oneview account, complete and submit the back to school forms, and submit proof of address. Please contact Mrs. Mills, Nurse Jodi, or Mrs. Robinson if you need assistance.

Complete re-enrollment before conferences by coming to our Early Bird Re-enrollment Night on Tuesday, March 5, 4-6:00pm. We will offer support to anyone who needs help re-enrolling. We will also serve dinner to go!

### 3RD QUARTER CONFERENCES

Mark your calendars for 3rd quarter conferences on March 21 and 22. You will receive your child's 3rd quarter report card, AIR test practice packet, and targeted skills to complete over spring break.

We will also offer another opportunity to re-enroll using DLA chromebooks.

### CORE VALUE OF THE MONTH

During the month of March, we are focusing on positive leaders in the classroom. In order to be a positive leader in the classroom, students should exhibit all other core values. Positive leaders come to school/class on time and in uniform. They come prepared with supplies and homework. They complete their classroom assignments to the best of their ability. They use positive language towards themselves, their peers, and staff members.

Being a positive leader is not just about doing the right thing, but encouraging and leading others to do the right thing. Integrity is "doing the right thing when nobody's watching," "doing the right thing when your teacher is not around," and "doing the right thing when others may not be."

Please take some time to speak to your child about integrity and being a positive leader.
