

Enrolling a new Student.

To get started on enrolling a new student from the dashboard homepage click on "Enroll New Student(s)."

Enrolled Student Dashboard

Click the blue button labeled "ENROLL A NEW STUDENT" this will take you to a form to fill out your child's information.

Enroll A Student At ESV Schools

You may use this area to create a new online enrollment form application for a NEW student whom you would like to enroll within the ESV School District. Please be aware that the application process requests a great deal of information from you. You may save and return to your application many times before you officially submit it to the school district. Come back to this page to check the status of your new enrollment application and to answer any additional questions the district may require.

Click the blue button below to begin
