MIDDLE SCHOOL GIRLS

VOLLEYBALL RULES

Adequate time for warming up shall be provided all competing schools. There will be a 15-minute warm-up on the playing court by both teams. Teams shall be provided 5 minutes of ball handling on their side of the net, prior to the coin toss. Once the coin toss has been conducted, the remaining 10-minute warm-up shall be divided into the following designated times in order:

1. 5 minutes – the serving team has the whole court*

2. 5 minutes – the receiving team has the whole court*

*NOTE: There may be no use of volleyballs in the facility while team is not on the court for the designated time. This includes, but is not limited to, auxiliary gyms and hallways.

It is important to note that it is considered unsporting conduct for members of a volleyball team to deliberately serve or hit balls into their opponents. Such behavior shall not be condoned by coaches and shall be penalized as unsporting conduct if witnessed by contest officials.

1. All matches shall be played in a best two of three format. Each set shall go to 25 points with no cap (must win by two points), and the deciding set shall go to 15 points with no cap.

2. Volleyball matches shall not use the libero rule.

3. A student may participate in no more than three sets per opponent. Any part of a set is considered a full set. When playing more than one opponent, this rule applies for each opponent.

5. The penalty for exceeding the participation limitation during a match is forfeiture of that set the match in which the ineligible player is participating. When discovered, the ineligible player is removed from the set, and the match may continue to completion; however, the result of the contest shall be a forfeiture by the offending team.

6. The net height shall be at 7'4 1/8", per NFHS Rule.
